DETAY GIDA was incorporated in 2008 as a fully owned subsidiary of the ALTINMARKA GROUP, the world's second largest manufacturer of industrial chocolate products. The production facilities of Detay Gida are comprised of fully automatic and computer controlled systems. The special production with new generation chocolate production technology aimed at meeting specific customer demands.

With the foundation of Detay, the Altinmarka Group has completed the vertical integration of all its cocoa and chocolate production processes, allowing us to guarantee our clients top quality and maximum efficiency at every single step of the manufacturing process from cocoa bean to finest chocolate.
